

19 октября состоялась выставка ОДОД «Осень в Петербурге».

Осенний Петербург

A large display board titled "Осенний Петербург" (Autumn Petersburg) is shown, featuring numerous children's drawings of autumn scenes in St. Petersburg. The drawings depict parks, bridges, domes, and trees with vibrant autumn foliage. The board is decorated with paper leaves and is set against a dark background.

Дети Петербурга

The collage features numerous children's drawings of St. Petersburg landmarks and scenes. Notable depictions include the Peter and Paul Fortress, the Spasskaya Tower, the Peterhof Palace, the Winter Palace, the Neva River, and the city's architecture. The drawings are arranged on a dark background with yellow maple leaves scattered around them.
